

Handout Session #7

1. When or how did you become aware that the Holy Spirit is a PERSON and not just a force or entity?
2. How do you personally recognize when the Holy Spirit is speaking to you?
3. How can you help a person you are mentoring learn to recognize the Holy Spirit's leading?
4. Why is it important for your mentee to have confidence in God's character, so they will acknowledge His ownership and cooperate with His plans for their life? If not, why?
5. Do you have a short, up-to-date testimony that you can give with sincerity, honesty, and clarity? Do you think there is merit to writing out several "elevator talks" (with the Holy Spirit's guidance) for different audiences / scenarios and practicing them so you are fluent?
6. Have you ever had a gifts assessment? If so, what tool have you found useful? What spiritual gifts do YOU have? If you don't know what gifts you have, what resources are available to you?
7. Does it take a spiritual gift to spiritually mentor (disciple) another believer?

CHALLENGE: This week write out your "elevator talk" or very short testimony, so you will be prepared if the Holy Spirit leads you to speak to someone.
